REPORT OF THE ADMISSION OVERSEEING COMMITTEE UNDER
SECTION 5 (8) OF THE KARNATAKA EDUCATIONAL INSTITUTIONS
(REGULATION OF ADMISSION AND
DETERMINATION OF FEE) ACT, 2006

13TH DAY OF SEPTEMBER 2017

JUSTICE ANAND BYRAREDDY ---- CHAIRMAN
FORMER JUDGE HIGH COURT OF KARNATAKA

IN CONSULTATION WITH THE

ADDITIONAL CHIEF SECRETARY,
DEPARTMENT OF MEDICAL EDUCATION,
GOVERNMENT OF KARNATAKA -- MEMBER

THE VICE CHANCELLOR,
RAJIV GANDHI UNIVERSITY OF
HEALTH SCIENCES -- MEMBER

IN THE MATTER OF UNFAIR IMPOSITION AND COLLECTION OF FEES
IN ADMITTING STUDENTS TO THE UNDERGRADUATE DENTAL
COURSE BY PRIVATE DENTAL COLLEGES.

The primary function of this Committee as provided
under the provisions of Karnataka Professional Educational Institutions
(Regulation of Admission and Determination of Fee) Act, 2006 (Herein
after referred to as the '2006 Act', for brevity), is to enforce the

standards and procedures as prescribed by the State government to be followed by the Associations of unaided Private Professional Colleges, non minority or minority as the case may be, and to ensure that the admissions are made in a fair, transparent and non- exploitative manner.

It is to be kept in view that as regards the admissions made to the undergraduate dental courses for the academic year 2017-18, in the absence of acceptance of the Report by the erstwhile Fee Regulatory Committee, the State Government had by recourse to Section 4 (A) of the 2006 Act, entered into consensual agreements with the following Associations:

- 1) Association of Minority Professional Colleges- Karnataka;
- 2) Karnataka Professional Colleges Foundation and
- 3) Karnataka Religious and Linguistic Minority Professional Colleges Association.

In terms of the said agreements, the Fee Structure that was agreed upon was as follows:

Category	Govt.Quota in Private Colleges 25%	Private seats 55%	NRI, OCI, PIO & foreigners 15%	Other Quota seats 5%
Fee	Rs.49,500/- per year	Not exceeding Rs.4,29,000/- per year	The details of fees component wise shall be furnished to the State Government in advance

:3:

As may be seen, there has been no agreement to enable the several member colleges of the above said Associations to demand and collect any fees over and above the prescribed limit as shown above . In the wake of several complaints and enquiries from anxious parents and students as regards the demand for fees under the various heads, far exceeding the limits prescribed above, details were called for from each of the private medical colleges in Karnataka State to furnish the details of the fees under various head various heads that is sought to be imposed and collected. The colleges which have furnished such particulars and the amount of fees collected by the respective colleges is indicated in tabular form, at **Annexure -A** to this report.

The colleges who have failed to respond and have not furnished the details of the fees collected by them are indicated in tabular form at **Annexure- B** to this report.

In the light of the admitted circumstance of the colleges having openly demanded and collected fees under various heads, far exceeding the prescribed limit , it became necessary to seek clarification from the

:4:

State Government as to the precise consensus reached and the fee that was ultimately prescribed under the agreements. The competent authorities have clarified the position and attention is drawn to the Directorate of Medical Education's common letter dated 21.07.2017 bearing No. DME/MCS/07/2017-18, specifically indicating that the fee structure prescribed under the Agreements was final. This was also said to have been displayed on the notice board of the Karnataka Examination Authority for the information of selected candidates. Though the colleges had made representations providing details of certain proposed heads of fees, other than what was agreed upon. It was not accepted by the State Government. Further, it has been clarified by the concerned authority that the upper limit of fee prescribed under the Consensual Agreements did not include the University fee, the Hostel fee and the mess fee which are the other permissible heads of fees, in addition to the Tuition fee, which could be collected by the colleges.

Accordingly, the tabular statement at Annexure- A will disclose the fees that has been collected over and above the prescribed limit, which is clearly an unfair practice and blatant exploitation by the colleges. Therefore, it is within the jurisdiction of this Committee to make this report for appropriate action against the above said colleges.

:5:

According to the details furnished to this Committee the respective colleges enumerated under Annexure-A and Annexure- B have made admissions during the academic year 2017 -18 in the several categories, as indicated in tabular form at **Annexure-C**, to this Report.

The Ministry of Human Resource Development (Department of Education) Government of India, had occasion to consider as to the components of the fee and this was in consultation with the Ministries of Health and Family Welfare and Law, the Medical Council of India, the Dental council of India, the AICTE, the University Grants Commissions and representatives of Technical, Higher and Medical Education Departments, as early as in the year 1996. In the course of those deliberations it was resolved, inter alia, that fee would consist of two broad heads, namely, 'Tuition Fee' and 'Development Fee'. And that the Managements of Institutions could realize the actual cost of boarding and messing from the students, provided the same was reasonable. That in so far as the Tuition fee was concerned, the fee prescribed would recover the actual cost of imparting education and while assessing the fair tuition fee, the following would be taken into account.

:6:

- i) Salary and allowances including bonus, if admissible, to teaching and non-teaching employees;
- ii) Expenditure on administrative services;
- iii) Cost of maintenance of laboratories including consumables;
- iv) Contingent expenditure including statutory requirements like audit fee;
- v) Cost of acquisition of books and journals for libraries; and
- vi) Maintenance of buildings and other assets including rents and tariffs.

(Refer Gazette of India, Part-I, Section I NOF 2-43/96 Desk (U) dated 18.03.1997)

“ Development Fee”, would mean such fee as defined under the Educational Institutions (Prohibition of Capitation Fee) Act, 1984..

It is, therefore, crystal clear as to the excess fee that has been collected by each of the respective colleges. The above act of the Colleges in having demanded and collected excess fees under the several heads would attract the provisions of the University Grants Commission (Grievance Redressal) Regulations 2012 as well as the Karnataka Educational Institutions (Prohibition of Capitation Fee) Act, 1984).

In so far as the colleges who have failed to furnish the details of the fees collected as required by this Committee, the colleges are bound

to furnish the details to the University and the State Government and it would then be open for the University to examine whether such institutions have also indulged in collection of additional fees and the action proposed against the colleges enumerated at Annexure-A shall be applied with equal force in respect of the colleges at Annexure-B.

Further, under the consensual agreements it is specifically agreed that in the event of any controversy as regards the fee structure in respect of students admitted for the academic year 2017-18, the same would be addressed by this Committee and the decision of this Committee would be final. In the light of the admitted circumstance of the colleges having collected the amounts as indicated above, the need for any elaborate enquiry does not arise.

In the light of the above, this Committee recommends to the State Government to direct the Rajiv Gandhi University of Health Sciences to order the respective colleges to refund the additional fee collected from each of the students under the several categories, with interest thereon at 18% per annum, within 30 days from the receipt of

such direction. Failing which, the University may be further directed to impose a fine of twice the amount of fee so collected. And out of such fine collected, the additional fees paid, with interest thereon at 18% per annum, from the date of receipt of the amount by the college, till the refund of the same to the concerned, to be paid to the respective student or guardian. This apart from appropriate action being initiated under other statutes as aforesaid in the discretion of the concerned.

It is expected that the State Government would promptly act on this report and not render the law a dead letter.
