

| <b>COURSE</b>               | <b>COURSE CODE</b> |
|-----------------------------|--------------------|
| Aero Space Engineering      | SE                 |
| Aeronautical Engg.          | AE                 |
| Architecture                | AR                 |
| Automation and Robotics     | RO                 |
| Automobile                  | AU                 |
| BAMS                        | A                  |
| BDS                         | D                  |
| BHMS                        | H                  |
| BNYS                        | N                  |
| BUMS                        | U                  |
| Bio Medical                 | BM                 |
| Bio Technology              | BT                 |
| Ceramics and Cement         | CR                 |
| Chemical                    | CH                 |
| Civil                       | CE                 |
| Computers Science           | CS                 |
| Const. Tech. Mgmt.          | CT                 |
| Electronics & Inst.Tech.    | EI                 |
| Electrical & Electronics    | EE                 |
| Electronics & Communication | EC                 |
| Environmental               | EN                 |
| Ind. Engg. Mgmt             | IM                 |
| Ind.Prodn.                  | IP                 |
| Info.Science                | IE                 |
| Inst.Tech.                  | IT                 |
| MBBS                        | M                  |
| Mechanical                  | ME                 |
| Mechatronics                | MT                 |
| Med.Elect.                  | MD                 |
| Mining                      | MN                 |
| Polymer Tech.               | PT                 |
| Precision Manufacturing     | PM                 |
| Silk Tech.                  | ST                 |
| Telecomm.                   | TC                 |
| Textiles                    | TX                 |
| Tool Engineering            | TE                 |
