NOTE

It has come to the notice of Karnataka Fee Regulatory Committee constituted under "The Professional Educational Institutions (Regulation of Admission and Determination of Fee) Act, 2006 that some of the colleges are collecting excess fee then, one prescribed under the Consensual Agreement and fee prescribed by the VTU, as such any illegal collection of fee /amount from students would be seriously viewed.

The legal fee that, the student is required to pay must be clearly notified on the College Notice Board. In case of collection fee/Amount other than the legally chargeable, same would not only be viewed seriously but appropriate recommendation would made for action as permissible in law.
