22 MBBS - COURSE DETAILS

2.2.1 Course Outline:

- The current curriculum for MBBS applicable from the Academic year 2020-21 is competency based and focuses on the Medical Graduate being competent to perform tasks of a “primary care physician of first contact”, after completion of training. The learner has to take responsibility for their own learning. The MBBS course is of four and a half years duration and is followed by one year of **Compulsory Rotating Residential Internship**.
- The broad guidelines of the course and given below
- The course begins with a **Foundation Course** sensitising the students to the health situation in India, the role of doctors in the community and basic principles of Communication & Ethics.
- The undergraduate course in medicine comprises of three Phases.

Phase I- The first stage of 12 months duration (Term 1 and 2) consists of the basic sciences - Anatomy, Physiology and Biochemistry. This will be followed by **the 1st Professional Examination**. Passing in the First Professional Examination is compulsory before proceeding to Phase II training. Supplementary examination will be conducted shortly after so that the students who pass can join the main batch. Those students who fail in the supplementary examination will have to appear in the subsequent year.

Phase II- The next stage is of 12 months duration (Term 3-4) and comprises of clinical and para-clinical subjects - Pharmacology, Pathology, Microbiology and Forensic Medicine. This will be followed by the **2nd Professional Examination**. A student, who fails in the 2nd Professional examination, can proceed with the training but shall not be allowed to appear in the 3rd Professional Part I examination unless he passes all subjects of 2nd Professional examination.

Phase III- The penultimate stage is of 12 months duration (Terms 5 and 6) and covers Ophthalmology, ENT and Community Medicine. This will be followed by the **3rd Professional Part 1 Examination**. A student, who fails in the 3rd Professional examination, can proceed with the training but shall not be allowed to appear in 3rd Professional Part 2 examination unless he passes all subjects of the 3rd Professional Part 1 examination.

Phase IV- The last stage is of 12 months duration (Terms 7- 9) and covers General Medicine, Paediatrics, Surgery, Orthopedic Surgery and Obstetrics & Gynaecology. It is to be noted that the students will be attending Clinical postings and lectures in these subjects from 3rd term itself. The end of 9th term will be followed by the **3rd Professional Part 2 Examination**. A Student, who fails in the 3rd Professional Part 2 examination cannot proceed to Internship unless he passes all subjects of 3rd Professional Part 2 examination.

- The clinical subjects to be taught during Phase II and III are Medicine and its allied specialities, Surgery and its allied specialities, Obstetrics and Gynaecology and Community Medicine.
- Besides clinical posting as per schedule mentioned herewith, rest of the teaching hours will consist of didactic lectures, demonstrations, seminars, group discussions, etc. in various subjects.
- Clinical skills will be taught not only at the bedside of the patients, but also in the well- equipped skills lab, use of simulated patients and paper-based cases.
- In addition to teaching of the medical subjects mentioned above Medical Ethics, Professionalism and Communication Skills will also be taught.
- Research methodology will be taught and students will have ample opportunities to do research under the guidance of one faculty, which is entirely voluntary and student driven.
- **The internship lasting 12 months** comprises of rotations in Community Health, Medicine, Surgery, Obstetrics & Gynaecology, Paediatrics, Orthopaedics, Emergency Medicine and short electives in various specialties. All these are as per the guidelines of the MCI/NMC

2.2.2. Essentials to be eligible to appear for University examination

- **Course completion:** Satisfactory completion of the approved course of study in the subject/subjects for the prescribed duration.
- **Attendance:** Not less than 75% of the total classes conducted in theory and not less than 80% of the total classes conducted in practical separately in a given subject to be eligible for the University examination in that subject/subjects.
- **Internal Assessment (IA):** Minimum of 40% marks to be obtained separately in theory and practical to appear for University examination. At least 50% marks of the total combined in theory and practical assigned for IA is to be obtained in a particular subject (The average of ALL internal assessment examinations will be computed in theory and practical separately. The internal assessment will include formative and summative assessment.)
- **Certifiable competencies:** Learners must have completed the required certifiable competencies for that phase of training and completed the logbook appropriate for that phase of training to be to be eligible for appearing at the final university examination of that subject.
